

During COVID- 19

we need your help keeping our place of worship safe and clean:

Maintain **6 ft** distance at all times, inside and out

Please wait to be seated

Everyone must wear a facial covering/mask at all times

Please disinfect your hands when entering and exiting the building

Staff will be working diligently on the following to keep you safe:

- Will deep clean entire building before and after service
- Will not hand out books, bulletins or flyers
- Will provide hand sanitizer at the building
- Will arrange furniture to support social distancing
- Will screen participants at the entrance
- Will take additional precautions by setting other restrictions that may be deemed necessary, posting signage of such restrictions and modifications.

Distance meetings, services, and other activities via phone and/or Internet are highly encouraged.

For more information, please call [your place of worship](#) or visit icphd.org
