*Cases exclude people in state and federal prisons, US Immigration and Customs Enforcement facilities, US Marshal detention facilities, and Department of State Hospitals facilities.
Starting March 10, 2022, the Imperial County Public Health Department will no longer display hospital data on the local COVID-19 dashboard. For updated state and local COVID-19 hospital data, the public can access it on the California COVID-19 website.

Your internet browser may be loading the page from its cache and may not reflect the most recent data. Please refresh your page and/or cache to view the most current version of the data. This dashboard provides surveillance information about the Coronavirus Disease 2019 (COVID-19). Data used to produce this dashboard is updated daily but is considered preliminary and subject to change as a result of ongoing investigations being conducted by the Imperial County Public Health Department.
## COVID-19 Case and Positivity Rates
