- 6,499 with an additional dose

State Masking Guidance Updates

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/guidance-for-face-coverings.aspx>

- Effective March 1, 2022 , the requirement that unvaccinated individuals mask in indoor public settings will move to a strong recommendation that all persons, regardless of vaccine status, continue indoor masking.
- Universal masking shall remain required in specified high-risk settings.
Public transportation, emergency shelters and cooling/heating centers, healthcare settings, state and local correctional facilities/detention centers, homeless shelters, long term care settings, adult & senior care facilities, and *indoors in K-12 schools and childcare (through March 11, 2022)*
- After March 11, 2022, the universal masking requirement for K-12 and childcare settings will terminate. CDPH strongly recommends that individuals in these settings continue to mask in indoor settings when the universal masking requirement lifts.

2021 Public Health Department COVID-19 Response Highlights
