

COVID-19

(coronavirus disease 2019)

Board of Supervisors Update

February 8, 2022

Your Internet browser may be loading the page from its cache and may not reflect the most recent data. Please refresh your page and/or cache to view the most current version of the data. This dashboard provides surveillance information about the Coronavirus Disease 2019 (COVID-19). Data used to produce this dashboard is updated daily but is considered preliminary and subject to change as a result of ongoing investigations being conducted by the Imperial County Public Health Department.

Please note that only diagnostic tests from approved laboratories are reflected on this dashboard.

COVID-19 Updates

<https://www.icphd.org/health-information-and-resources/healthy-facts/covid-19/covid-19-data/>
<https://covid19.ca.gov/state-dashboard/>

- 1,288 variants of concern (118 Omicron, 1,170 Delta)
- ↓180.8 case rate*/100K (7-day average, 7-day lag)
- ↓34.7% positivity rate* (7-day average, 7-day lag)
- 30 active COVID-19 outbreaks, 4 pending confirmation
- 190 total hospitalized patients (non-COVID & COVID), morning of 2/8/22
 - 74 COVID-19 positive patients, including 25 in an intensive care unit (ICU)
 - 3 ICU beds available

*Cases **exclude** people in state and federal prisons, US Immigration and Customs Enforcement facilities, US Marshal detention facilities, and Department of State Hospitals facilities. A negative number of reported deaths means that deaths previously attributed to COVID-19 were determined to not be associated with COVID-19.

New COVID-19 Cases, 7-day cumulative

1/5/2022- 1/11/2022

0-4 years: 158 (5.0%)
5-17 years: 736 (23.6%)
18+ years: 2,231 (71.4%)
Total cases: 3,125

1/12/2022- 1/18/2022

0-4 years: 143 (4.7%)
5-17 years: 700 (23.1%)
18+ years: 2,192 (72.2%)
Total cases: 3,035

1/19/2022- 1/25/2022

0-4 years: 168 (4.9%)
5-17 years: 792 (23.2%)
18+ years: 2,452 (71.9%)
Total cases: 3,412

1/26/2022-2/1/2022

0-4 years: 102 (5.7%)
5-17 years: 404 (22.5%)
18+ years: 1,289 (71.8%)
Total cases: 1,795

COVID-19 Vaccination

<https://covid19.ca.gov/vaccination-progress-data/>

- 87.8% fully vaccinated
- 42,424 booster doses administered
- 6,006 additional doses administered

Face Mask Guidance

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/guidance-for-face-coverings.aspx>

Changes to State guidance take effect February 16, 2022

- Universal masking shall remain required in only specified settings
- Only unvaccinated persons are required to mask in all Indoor Public Settings.
- Fully vaccinated individuals are recommended to continue indoor masking when the risk may be high.

Masking Requirements

Masks are **required for all individuals in** the following indoor settings, regardless of vaccination status. Surgical masks or higher-level respirators (e.g., N95s, KN95s, KF94s) with good fit are highly recommended.

- On [public transit](#) (examples: airplanes, ships, ferries, trains, subways, buses, taxis, and ride-shares) and in transportation hubs (examples: airport, bus terminal, marina, train station, seaport or other port, subway station, or any other area that provides transportation)
- **Indoors** in [K-12 schools](#), [childcare](#)
- [Emergency shelters](#) and [cooling and heating centers](#)
- [Healthcare settings](#)
- State and local [correctional facilities and detention centers](#)
- [Homeless shelters](#)
- [Long Term Care Settings & Adult and Senior Care Facilities](#)

Additionally, masks are **required* for unvaccinated individuals** in indoor public settings and businesses (examples: retail, restaurants, theaters, family entertainment centers, meetings, state and local government offices serving the public). Fully vaccinated individuals are recommended to continue indoor masking when the risk may be high. Surgical masks or higher-level respirators (e.g., N95s, KN95s, KF94s) with good fit are highly recommended.

Face Mask Guidance

Guidance for Businesses, Venue Operators or Hosts

In settings where masks are required only for unvaccinated individuals, businesses, venue operators or hosts may choose to:

- Provide information to all patrons, guests and attendees regarding vaccination requirements and allow vaccinated individuals to self-attest that they are in compliance prior to entry.
- Implement vaccine verification to determine whether individuals are required to wear a mask.
- Require all patrons to wear masks.

No person can be prevented from wearing a mask as a condition of participation in an activity or entry into a business.

Exemptions to masks requirements

The following **individuals** are exempt from wearing masks at all times:

- Persons younger than two years old. Very young children must not wear a mask because of the risk of suffocation.
- Persons with a medical condition, mental health condition, or disability that prevents wearing a mask. This includes persons with a medical condition for whom wearing a mask could obstruct breathing or who are unconscious, incapacitated, or otherwise unable to remove a mask without assistance.
- Persons who are hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential for communication.
- Persons for whom wearing a mask would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines.

Mega Events

Changes Taking Effect February 16, 2022:

- This guidance will return to thresholds of 1,000 attendees for Indoor Mega Events and 10,000 attendees for Outdoor Mega Events.
- Link to full guidance: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Beyond-Blueprint-Framework.aspx>

Restrictions Applying to Indoor & Outdoor Settings	
UPDATE: Definitions of Mega Events [1]	Crowds greater than 1,000 (indoors) attendees Crowds greater than 10,000 (outdoors) attendees
Vaccine Verification / Negative Testing	Required for Indoor Mega Events Recommended for Outdoor Mega Events
Capacity Limitations	No restrictions
Physical Distancing	No restrictions for attendees, customers, and guests
Masking	Follow current CDPH Guidance for Face Coverings . Refer to CDPH Get the Most Out of Masking for more information on getting the best fit and filtration for your mask
Travelers	Recommend following CDC and CDPH Travel recommendations.

In workplaces, employers are subject to the Cal/OSHA COVID-19 Emergency Temporary Standards (ETS) or in some workplaces the CalOSHA Aerosol Transmissible Diseases Standard, and should consult those regulations for additional applicable requirements

Visitation in Acute Healthcare and Long-term Care Settings

- State Public Health Officer Order amended to reflect indoor visitation requirements that were in place, prior to December 31, 2021. The amended Order was effective February 8, 2022.
- Applies to General Acute Care Hospitals, Skilled Nursing Facilities (SNFs), Intermediate Care Facilities (ICFs), and Adult and Senior Care Residential Facilities licensed by the California Department of Social Services
- LTC Visitation State Public Health Officer Order:
