Imperial County Tier Assignment & Metrics

Your Internet browser may be loading the page from its cache and may not reflect the most recent data. Please refresh your page and/or cache to view the most current version of the data. This dashboard provides surveillance information about the Coronavirus Disease 2019 (COVID-19). Data used to produce this dashboard is updated daily but is considered preliminary and subject to change as a result of ongoing investigations being conducted by the Imperial County Public Health Department.

Please note that only diagnostic tests from approved laboratories are reflected on this dashboard.

Vaccination progress data

Last updated April 29, 2021 at 1:10 PM

Note for April 29, 2021

Today's count of administered vaccine doses is incomplete due to a delay from other immunization registries. Complete counts will be updated in this dashboard once available later this week.

This information makes vaccination data transparent and accessible to all Californians.

On this page:

- > [Overview of vaccine administration](#)
- > [Vaccination progress by group](#)

Vaccines

Last updated April 28, 2021 at 2:15 PM

How do I get a vaccine appointment?

My Turn

Check myturn.ca.gov or call (833) 422-4255 to get a COVID-19 vaccine appointment. If appointments are not available, you can sign up to be notified when they are.

Go to My Turn

VaccineFinder

Some local health authorities have additional vaccination appointments. Use the CDC's [VaccineFinder](#) to find an appointment near you.

Go to VaccineFinder

You can also check with your healthcare provider or local pharmacy.

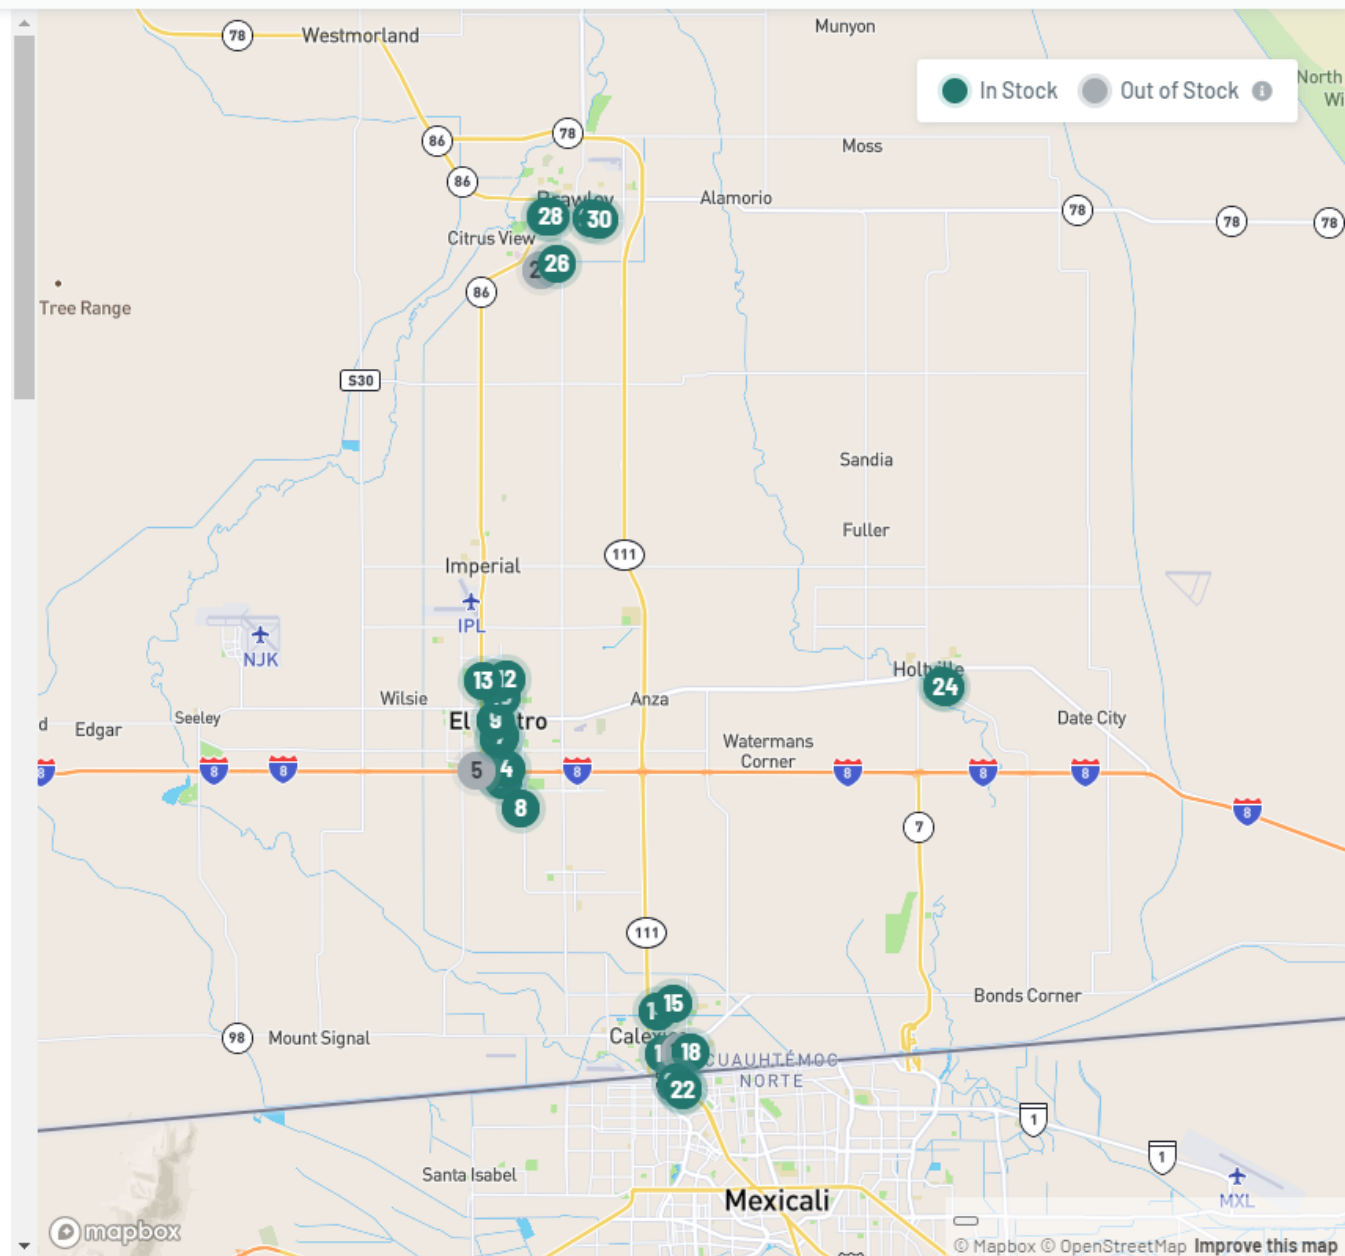

We found 30 Providers

[EDIT SEARCH](#)

Showing results for **Moderna COVID Vaccine, Pfizer-BioNTech COVID Vaccine and Johnson & Johnson's Janssen COVID Vaccine** near **92243** within **25 miles**

Vaccine availability is subject to change. Appointments are required at most locations. Click a location with vaccine "In stock" to take the next step.
