

COVID-19 PREVENTION

Protecting Customers by Taking These Precautions at Your Business

Dear Employee: If you have fever of 100°F, cough and/or shortness of breath turn back and please STAY home

Reduce social interaction

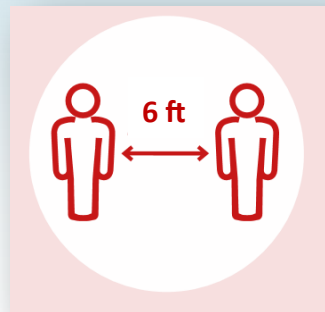

Keep a distance of 6 feet between you and co-workers

Cover your mouth and nose when sneezing

Frequently disinfect commonly touched surfaces

CLEAN
and disinfect frequently
touched objects and
surfaces

DISTANCE
maintain yourself at
least 6 ft (2m) away
from others

WASH
your hands for at least
20 seconds to avoid
contamination

COVER
your mouth and nose with
a sleeve or tissue when
sneezing

The virus spreads in sneeze and cough droplets, so regularly taking the above measures helps reduce the chance of spreading it. For more information please visit Imperial County Public Health Department website at www.icphd.org.
