TRAUMA SYSTEM QUALITY IMPROVEMENT**Date: 06/01/2016**
Policy #8500**I. Purpose:**

1. To monitor and evaluate the medical care of patients with traumatic injuries.

II. Authority:

1. Health and Safety Code, Division 2.5, Chapter 5, Article 2.5.
2. California Code of Regulations, Title 22, Division 9, Chapter 7.

III. Policy:

1. Each designated trauma center shall implement an internal trauma quality improvement process.
2. The EMS Agency shall review each designated trauma center periodically.
3. The EMS Agency shall establish and maintain the Trauma Audit Committee (TAC) to evaluate the medical care of patients with traumatic injuries in accordance with the Imperial County EMS Quality Improvement Plan.
4. The EMS Agency shall review each EMS and Fire agency trauma quality improvement plans and data of traumatic injury.
5. The TAC shall serve as a standing subcommittee to the Imperial County Emergency Medical Care Committee.
 - A. Subcommittee will include:
 1. Representatives from both hospitals (versus EDs), all transporting agencies, all air ambulance providers, base station, EMS agency, BLM, and state parks.
6. The TAC shall develop bylaws and review on a periodic basis.
 - A. Potentially include language about minimum 1 (one) annual co-meeting with San Diego LEMSA TAC.
7. Trauma Advisory Committee Confidentiality:
 - A. All members shall sign a confidentiality agreement not to divulge or discuss information that has been obtained solely through TAC membership. Prior to any participation in the meeting, the Chairperson shall explain the confidentiality requirements and obtain a signed confidentiality agreement from all guests present.
 - B. All proceedings, documents and discussions of the TAC are confidential and protected under Section 1040 and 1157.7 of the California State Evidence Code. The prohibition relating to discovery of testimony is provided to the TAC, which is
